

Are you in need of eLearning development?

Take advantage of these special offers

Level 1

BIG1 50% Off

This option is perfect for those companies in need of video training that allows learners to remember and identify important material. With a variety of design and deployment options available, you ensure employees and customers have easy access to vital information when and where they need it.

25% Off 1+ Hrs

This saving opportunity is ideal for those looking for traditional eLearning development. Engage your learners and test their mastery through interactive modules and innovative activities that help overcome skills and performance gaps.

Level 2

Get a Free 5 Min. Video With Levels 3 and Higher

This discount option is great for companies wanting to inspire motivation and excitement for learning. In addition to your gamified module, serious game, or immersive simulation, spark interest for your course with a free promotional or informative video to support your training and development efforts.

Levels 3-6
